Be Inspired

THE KITCHEN IS THE CENTER OF ACTIVITY IN MOST HOMES,

a place where families meet, where conversations take place and lasting memories are created. It is Sollera's hope that you will find inspiration in the following pages, which will help you and your designers craft the perfect cabinetry to suit your personality and lifestyle. The kitchens in this booklet are brilliant examples of how the integration of creative design, quality cabinetry, talented craftsmen and skillful installers can result in cabinetry of enduring beauty.

INTERNATIONAL STYLE

To highlight today's contemporary architecture, Sollera presents its International Series of door styles. The use of composite veneers, real wood veneers, laminates and melamines in combination with these modern door styles will result in a kitchen which not only provides warm appeal, but reflects the owner's personality and appreciation of the light, sleek appearance of this kitchen style.
